

# DSRMP-8

rack mount zone volume control panel for 70.7 volt systems

## Features:

- Standard 19" rack mount face plate, available in 2U rack space height (3.5")
- eleven-stage detent attenuation control (from 0 to 10) in 1.5 dBA increments
- each attenuator rated at 100 watts
- available with one to eight attenuators per rack mount panel

The industry's largest supplier of design-build soundmasking solutions

tech spec\_sheet

## Description:

Dynasound's DSRMP-8 rack mounted attenuator panel is designed for use in large 70.7 volt centralized soundmasking systems. Each attenuator is rated at 100 watts. Attenuator increments are 1.5 dB for each 1-10 position. Connections are made with pluggable rear mounted connectors.

## Specifications:

Dimensions : 19" wide (standard rack mount), 3" high (Standard 2 RU space), 4" deep

### ORDERING INFORMATION

DSRMP-X where X is the attenuator quantity ( 1 through 8 )  
Shipping weight: 9 lbs.

Additional attenuators DSVC-1. shipping weight 1 lbs.

## Use with:

DS1625 amplifier

DS1628 amplifier
